APPLICATION FOR BIOSTATISTICS SUPPORT

Name: [Name]
Title/Position: [Title/Position]
Date: [Date]
Department: [Department]
Phone (Office): [Phone (Office)]
E-mail: [E-mail]

If you are a student, list Supervising Professor name:
Supervising Professor Email: [Supervising Professor Email]
Supervising Professor Phone: [Supervising Professor Phone]

Stage of Research: 
1. Design (no data collected yet)
2. Presently collecting data
3. Analysis (all data collected)

Is this application for support to write a grant? 
1. YES 2. NO
If no, is this research supported by a grant? 
1. YES 2. NO

The results of the research will probably be published in (check all that apply):

RESEARCH DESCRIPTION
Below, please describe in as much detail as possible the particulars of your current or proposed study.

Purpose:

Research Question/Hypothesis:

Study Design (include design, treatment arms, sample selection, sample sizes, etc.):

Description of variables:

Needed statistical analysis (if known):

Any additional information that you feel is helpful:
