Dear Colleague,

According to our records, your CPR certification will expire within the next months. To ensure that your CPR certification is up to date, please register for a CPR course. **Due to a new CPR curriculum, everyone must register for a Full Provider course regardless of your current card.**

Please find the schedule for the next CPR Full Provider courses provided by NYUCD attached.

To register for a course:
1. Sign in to NYU Home using your NetID and Password and click on the Work tab.
2. Scroll down and select NYUiLearn Login.
3. Click on "Course Catalog".
4. Click on "College of Dentistry Courses" and then on "CPR Courses"
5. To enroll for the full-provider course: Click on “CD 323: CPR Full Provider Course July 2017” and enroll for the course that best suits your schedule.

If you decide to re-certify outside of NYUCD, please send a copy of the front and back of your new CPR certification card to wh34@nyu.edu. NYU College of Dentistry accepts as proof of CPR training only two CPR cards: the American Heart Association BLS Provider CPR card and the American Red Cross BLS for Healthcare Providers card. Absence of any of these two current CPR certifications will result in suspension of clinical privileges.

If you have any questions, please contact me at 212-998-9593 or wh34@nyu.edu.
