

APPLICANT INFORMATION

The Programs for International Dentists at NYU College of Dentistry attracts oral health professionals from over 93 countries. These full-time programs are designed for international dentists who plan to practice dentistry outside the United States. *Completion of any of these programs does not qualify participants for licensure in the US.*

Full-time hands on Advanced Programs for International Dentists:

One Year Track

Comprehensive
Esthetics
Oral Surgery

Two Year Track

Implant Dentistry

Three Year Track

Oral Surgery/RCSI*

*(*Royal College of Surgeons in Ireland)*

Full-time teaching fellowship program:

- Teaching International Dental Educators Fellowship Program (T.I.D.E.) - *(1 Year Program)*

ADMISSIONS

1. Only complete applications can be reviewed by the Admissions Committee
2. Applications submitted after the **January** priority deadline will be reviewed based on availability
3. After submission of a complete application, the applicant will be informed of their initial review by the Admissions Committee, which may result in being invited to interview for a position in the program

Pre-Requisite Clinical Experience:

Implant Dentistry Program:

At least 3 years of experience (or 1 year of Comprehensive Dentistry)

Esthetic Dentistry Program:

At least 2-3 years of experience

Oral Surgery/RCSI:

At least 2-3 years of experience and passing score in MFD Part I or NBDE Part I Exam

To Apply:

1. All candidates must have graduated from dental school outside the USA before starting the international program.
2. Submit the online application by going to dental.nyu.edu/international and click **Apply Now**. In addition, the following documents are required:
 - Personal Statement Essay: *Why you are applying to this program, include information on your academic background, your career goals and your qualifications (1-2 pages)*
 - CV or Resume
 - Letter(s) of recommendation from your Dean, professors, or supervisors
 - Certified English translation of your dental school diploma
 - Certified English translation of your dental school transcript (*listing subjects studied and grades received*)
 - "Course-by-Course Evaluation" by Educational Credential Evaluators (ECE). This evaluation report provides the U.S. equivalent of each educational credential received. To start your account, go to: www.ece.org
 - TOEFL or IELTS English Language Report:
 - For TOEFL information, please visit: www.ets.org and select the TOEFL link.*
 - For IELTS information, please visit: www.ielts.org*
 - Non-refundable application fee of US \$100 (*check or money order that must be drawn from a US banking institution, payable to New York University*)

Submit the online application, upload documents and/or send documents to:

**New York University College of Dentistry
Office for International Programs
433 First Avenue, Suite 125
New York, NY 10010
USA**

Admissions Decision

Application decision notifications are sent via email to all applicants, with instructions on logging into the online application system to view the decision letter.

If accepted, the acceptance letter will have step-by-step instructions on submitting a tuition deposit to hold your position in the program and to begin the I-20 application process (the first step of the F-1 student visa) through the NYU Office for Global Services (OGS) office.

Applicants who are not selected must wait one calendar year before re-applying to any international program.

Dental.nyu.edu/international

TUITION & COST OF LIVING

The tuition and fees (instrument rental, health insurance, etc.) for academic year 2016-2017 are:

Advanced Programs for International Dentists <i>(Clinical Programs)</i>	\$87,920
Teaching in Dental Education Fellowship (T.I.D.E.) <i>(Teaching Program)</i>	\$82,468
The annual cost of living for all programs is approximately:	\$24,000

Please note:

- There is a 3-5% increase in tuition, fees and living expenses annually
- USA financial aid, private loans and scholarships are not available for these programs

ORIENTATION & PROGRAM START DATES

All incoming students and fellows are required to attend orientation, consisting of a welcoming reception, presentations on clinical protocols and procedures, university life, student services, information on other educational opportunities, OGS immigration workshops, and a number of social activities.

The following programs begin on **July 1, 2017** (*orientation begins one week prior*):

Comprehensive Dentistry
Esthetic Dentistry
Implant Dentistry
Oral Surgery
Oral Surgery/RCSI

The following program begins on **September 5, 2017**:

Teaching in Dental Education (T.I.D.E.) Fellowship

Your F-1 student visa allows you entry into the USA 30 days prior to the start of your program. We recommend you arrive at least three weeks in advance of the program start date so that you are able to find an apartment and complete the required pre-orientation check in workshops.
