NEW YORK UNIVERSITY COLLEGE OF DENTISTRY

Fall 2016
Clinical Participation Programs

We Teach Success In Clinical Dentistry

Hands-on Patient Treatment
Experienced & Dedicated Faculty
State-of-the-Art Facilities

New York University is a member of the Association for Continuing Dental Education. The ACE is the organization of continuing dental education providers and is the source of comprehensive program information for members of the dental profession. For more information, visit the ACE website at www.ace-de.org.

ADA CERP

The New York University College of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

Clinical Participation Program is accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement.

New York University is a member of the Association for Continuing Dental Education. The ACE is the organization of continuing dental education providers and is the source of comprehensive program information for members of the dental profession.
