Learn about the GentleWave® Procedure firsthand, from the developers of GentleWave Technology and the industry leaders who are paving the way for advanced endodontic practices.

The one-day course includes:

- **Lectures** on operating the GentleWave System and the Sound Science® Technology behind its efficacy and efficiency
- **Patient case review** to study GentleWave Providers’ outcomes achieved with the far-reaching cleaning and disinfection capabilities of the GentleWave Procedure
- **Hands-on learning** during detailed exercises in each phase of the GentleWave Procedure

The Instructors

**JAMES A. SMITH, JR., DMD**
Dr. Smith received his dental degree in 1980 from The University of Alabama School of Dentistry and completed his endodontic residency there in 1982. He has been in private endodontic practice for almost 35 years and is an adjunct assistant professor with the Department of Endodontics at The University of Alabama at Birmingham School of Dentistry. Dr. Smith has co-authored an article that was published in the 2015 Journal of Endodontics. His practice is located in Birmingham, Alabama.

**ASGEIR SIGURDSSON, DDS, CAND ODONT, MS**
Dr. Sigurdsson is the chair of the Department of Endodontics at the New York University College of Dentistry, as well as an adjunct associate professor at UNC, honorary clinical teacher in endodontology at UCL Eastman Dental Institute, London UK, and honorary clinical associate professor in the Faculty of Dentistry at The University of Hong Kong. Dr. Sigurdsson is also the director of the American Board of Endodontics.

**MEHRZAD KHAKPOUR, PHD**
Dr. Khakpour joined Sonendo® in 2008 and has been the primary research and innovation driver of Sonendo technology. In addition to developing the GentleWave® Procedure, he also has primary responsibility for new product development, focusing on consumables. During his career, Dr. Khakpour has authored numerous patent applications and professional journal articles.

**COURSE SIZE IS LIMITED TO 10 ATTENDEES**
Don’t miss this very special opportunity to learn from the leading authorities of the GentleWave Procedure.

New York University College of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by board of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

The formal continuing dental education programs of New York University College of Dentistry are accepted by the AGD for Fellowship, mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. New York University is a member of the Association for Continuing Dental Education. The ACDE is the organization of continuing dental education providers associated with dental schools in the United States, Canada and Puerto Rico.
