Dear Colleague,

According to our records, your CPR certification will expire within the next 3 months. To ensure that your CPR certification is up to date, please register for a CPR course.

Please find the schedule for the next CPR Full Provider and Re-Certification course(s) provided by NYU Dentistry below. If you currently have an American Heart Association BLS Provider card or American Red Cross BLS for Healthcare Providers card, you can enroll for a Re-certification course. Otherwise, please enroll for a Full Provider course.

To register for a course:
1. Sign in to NYU Home using your NetID and Password and click on the Work tab.
2. Scroll down and select NYUiLearn Login.
3. Click on "Course Catalog".
4. Click on "College of Dentistry Courses" and then on "CPR Courses".
5. To enroll for a course: Click on “CD 333: CPR Re-certification and Full Provider Courses February 2020” and enroll for the course you need that best suits your schedule.

If you decide to re-certify outside of NYU Dentistry, please send a copy of the front and back of your new CPR certification card to ajb19@nyu.edu. NYU College of Dentistry accepts as proof of CPR training only two CPR cards: the American Heart Association BLS Provider CPR card and the American Red Cross BLS for Healthcare Providers card. Absence of any of these two current CPR certifications will result in suspension of clinical privileges.

If you have any questions, please contact me at 212-998-9969 or ajb19@nyu.edu.
