

Science Scholarship Opportunity for Dental Hygiene Students

Dr. Arthur A. Kezian DDS is commencing a science scholarship program which will give high school and college students the chance to receive \$1,200 towards their educational expenses. This science scholarship will be awarded to students based on their academic merit, community service, and financial need. Students must be between the ages of 16 and 25 and must have a major in the science field.

Dr. Kezian believes in supporting young students, making sure they reach their educational goals. Providing students with a scholarship opportunity means he can help them financially as they continue their journey to success. When asked why he wanted to start this scholarship, he replied, "I have been a student majoring in science myself and know how competitive the field is. By presenting students with a scholarship opportunity, I can help them understand the importance of individual accomplishment when it comes to reaching their objectives, assist them financially, and teach them about the significance of higher education."

Students who are interested in applying for the Dr. Arthur A. Kezian DDS Science Scholarship can visit his website (<http://www.drkezian.com/science-scholarship/>) to get all the information regarding the application process and eligibility.

Dr. Kezian is a cosmetic dentist who specializes in all cosmetic restorations, as well as endodontic treatments, implant dentistry, emergency cases, and much more. His motto is to provide his patients with the highest standard of dental care with a gentle, efficient, and professional manner. He and his team work diligently to make you feel welcome and comfortable at the office. They assure your involvement in every dental decision, from determining your needs, to establishing a dental care plan.
