ADVANCED PROGRAMS FOR INTERNATIONAL DENTISTS

Our unique, full-time clinical programs are designed to provide clinical experiences and didactic knowledge in various dental specialties to international dentists. These non-credit, non-degree programs attract international dental professionals who plan to practice outside of the United States. Completion of any of these programs does not qualify participants for licensure in the US. The program boasts an alumni base of over 1,300 oral health professionals from 95 countries.

The programs offer a curriculum of didactic components and clinical experiences in the following disciplines:

**One Year Track**
- Comprehensive Dentistry*
- Esthetic Dentistry
- Oral Surgery*

**Two Year Track**
- Implant Dentistry

**Three Year Track**
- Oral Surgery/Royal College of Surgeons in Ireland (RCSI)
