

Welcome!

Alumni, Faculty and Friends,

The Office of Development & Alumni Relations and the Alumni Association are excited to present our new slate of alumni engagement opportunities for the academic year ahead! Our **Reunions**, regional receptions, **Alumni CE** lectures, mentorship events and more are all intended to connect you with your classmates and the global NYU network. **We invite you to get involved by becoming a Class Representative or a volunteer speaker.**

We hope that you'll consider a gift to the College to support our students and the programs that serve our diverse community, including the **Veterans Oral Care Access Resource (VOCARE)** initiative.

We look forward to hearing from you, welcoming you home, and connecting with you throughout the year.

Sincerely,

Ryan St. Germain
