The Art of Endodontics: A Hands-on Course

L. Stephen Buchanan, DDS, FICD, FACD

November 2nd, 2018 - November 3rd, 2018

Course Fee: $595

Course Location:
Linhart Continuing Dental Education Program
New York University College of Dentistry
345 East 24th Street, 1-W, New York, NY 10010

Registration is limited to ONLY 30 participants.
Please visit https://www.regonline.com/endonyu to register

State-of-the-art endodontic procedures will be taught and practiced in TrueTooth™ training replicas, using contemporary concepts of access, negotiation, shaping, irrigation, and 3D obturation. Digital imaging will be available to evaluate results.

After completing this course, attendees should have learned:
• How to achieve ideal convenience form while conserving all tooth structure possible.
• How to safely cut tapered shapes in canals with 1-3 rotary files.
• How to clean and fill complex lateral anatomy such as lateral and accessory canals.

Course Content Topic Areas
• Conservative access preparations on tooth replicas and review of the technique flowcharts by participants
• Shaping with rotary files in tooth replicas and review of the technique flowcharts by participants
• Centered-compaction obturation techniques in the tooth replicas using carriers and downpacking gutta percha with a syringe backfilling technique.

New York University College of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

The formal continuing dental education programs of New York University College of Dentistry are accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement.

New York University is a member of the Association for Continuing Dental Education. The ACDE is the organization of continuing dental education providers associated with dental schools in the United States, Canada and Puerto Rico.
