* Interested dentists are encouraged to visit the program prior to consideration by the Admissions Committee. Contact us today to schedule your visit!

Linhart Continuing Dental Education Clinical Courses are held in the NYU Rosenthal Institute for Aesthetic Dentistry, which has resources that are unparalleled in the world:

- 15 state-of-the-art patient treatment rooms
- A 52-seat amphitheater with global video-conferencing capabilities
- An “operatory under glass” outfitted with multiple cameras to permit live, interactive clinical demonstrations around the world
ADVANCED AESTHETICS:
AN INTEGRATED APPROACH TO AESTHETICS & FUNCTION

WHAT YOU’LL LEARN AND DO:
• 3-Step approach for predictable comprehensive aesthetic dentistry
• Innovative aesthetic evaluation form and process for macro and micro analysis
• Functional occlusion concepts and techniques for mounted study casts with CR records and occlusal analysis
• Diagnostic wax-up and “prototype” techniques
• Integration of Digital smile design to generate efficient and predictable clinical procedures
• Pre-surgical treatment planning, provisionalization, and restoration of implants in the aesthetic zone

• Plastic periodontal surgery planning for single tooth implants in the aesthetic zone
• Enhanced laboratory and interdisciplinary communication techniques

CLINICAL PARTICIPATION PROGRAMS

New York University College of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

The formal continuing dental education programs of New York University College of Dentistry are accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement.

New York University is a member of the Association for Continuing Dental Education. The ACDE is the organization of continuing dental education providers associated with dental schools in the United States, Canada and Puerto Rico.
