This course satisfies the continuing implant education hours requirement for Fellowship, Mastership, and/or Diplomate status in the ICOI.

ADA CERP® Continuing Education Recognition Program
New York University College of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.adacerp.org.

The formal continuing dental education programs of New York University College of Dentistry are accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement.

New York University is a member of the Association for Continuing Dental Education. The ACEDE is the organization of continuing dental education providers associated with dental schools in the United States, Canada and Puerto Rico.
