

Fellowship Application

Thank you for your interest in becoming an Academy Fellow!

As outlined in the Bylaws, Members are asked to provide evidence supporting their request to become Fellows. This application mirrors the Bylaws and is designed to simplify the process and capture your involvement during your years of Membership.

Please provide the following information on separate sheet.

1. Name and title
2. Department
3. Year of Academy Induction
4. Please explain your reasons for wanting to become an Academy Fellow by briefly describing your contributions to both the College and the Academy during your time as a Member.

What comes next?

Your responses will be reviewed by the Membership Committee. If your application evidence is determined to be satisfactory, this decision will be ratified by two-thirds vote of Members and Fellows present at the Academy's Annual Meeting.

If the evidence is reviewed and is determined by to be unsatisfactory, the Membership Committee will inform the Academy Executive Panel. The Member being denied Fellow status will be notified in advance of the Annual Meeting and can appeal the decision by presenting evidence of their satisfactory contributions. A decision to confer Fellowship status must be ratified by two-thirds vote of the Members and Fellows present at the Academy's Annual Meeting.

Thank you again for your service to the Academy and NYU Dentistry.
