

NYU DENTISTRY STUDENT HONOR CODE

Ethics and professionalism are core values at NYU Dentistry. To that end, NYU Dentistry teaches and adheres to the principles prescribed in the [New York University Code of Ethical Conduct](#) and the [ADA Code of Ethical and Professional Behavior](#). Every member of the NYU Dentistry community (student, faculty, and staff) is required to abide by these standards. By signing this Code, each student acknowledges these principles and pledges to demonstrate them in all activities they are engaged in while in attendance at NYU Dentistry. By affixing my signature below, I hereby agree to:

1. Demonstrate honesty, integrity, and respect in all interactions with patients, faculty, staff, and peers, and in all aspects of my educational program. Specifically, I will not lie, cheat (use unfair or dishonest methods to gain an advantage), misrepresent someone else's work as my own, commit plagiarism, falsify clinical records or research data, or assist others in the commission of these acts.
2. Commit myself to demonstrating the highest standards of professional behavior and recognize my responsibility to myself, NYU Dentistry, and the dental profession and to conduct myself accordingly.
3. Recognize my responsibility to assure patient safety and safeguard the principle of patient-centered care. I will safeguard the principles of patient autonomy, beneficence, nonmaleficence, justice, and veracity.
4. Preserve the tenets of fairness, equality, and non-discrimination in my role as student at NYU Dentistry.
5. Report any behaviors that deviate from the principles of ethical and professional conduct via the appropriate reporting mechanisms as set forth in the policies and procedures of NYU Dentistry.

I hereby acknowledge and agree that violations of these principles as set forth in the NYU Code of Ethical Conduct will lead to disciplinary action up to and including dismissal from the program.
