ACADEMIC EXCELLENCE

The Water Club
Tuesday, February 11, 2020
Omicron Kappa Upsilon is the National Dental Honor Society founded in 1914 at Northwestern University Dental School. The New York University College of Dentistry Chapter, Omega, was founded by charter on June 6, 1929 and is one of 61 active chapters in the United States and Canada. Admission is based on scholarship and character and is determined by annual election by active members.

Members are selected from the top 20 percent of the graduating class, as reported to the Chapter annually by the Dean of Academic Affairs. From this list, not more than 12 percent may be elected each year.

MESSAGE FROM THE DEAN

Dear Colleagues:

I look forward to celebrating the impressive professional accomplishments that define the distinguished members of the Omega Chapter of OKU at the Dinner of Academic Excellence.

It is especially fitting that the theme of the dinner is “excellence.” This is an environment in which innovation is perpetual, teamwork is more important than territorialism, communication is open and dynamic, and individuals are empowered to become all they can become.

Historically, the men and women of the Omega Chapter have been leaders in engendering, supporting, and recognizing academic excellence. As we go forward to create a comprehensive campus-wide culture of excellence and integrity, I am confident that you will continue to lead the way.

Sincerely,

Charles N. Bertolami, DDS, DMedSc
